UNITED STATES PATENT OFFICE

WALTER D. TEAGUE, OF NEW YORK, N. Y., ASSIGNOR TO EASTMAN KODAK COMPANY, OF
ROCHESTER, NEW YORK, A CORPORATION OF NEW YORK

DESIGN FOR A CAMERA CASING

Application filed July 26, 1930. Serial No. 36,482. Term of patent 7 years.

To all whom it may concern:

Be it known that I, WALTER D. TEAGUE, a citizen of the United States of America, residing at New York city, in the county of New York and State of New York, have invented a new, original, and ornamental Design for Camera Casings, of which the following is a specification, reference being had to the accompanying drawing, forming a part thereof.

Figure 1 is a front elevation of a camera casing showing my new design.

Figure 2 is a perspective view of the camera casing from the rear and side.

In the drawing the solid black portions of the decorative plate are not intended to represent color, but to accentuate the contrast with the strips and lines which are preferably of polished metal. The decorative panel is a metallic plate of negligible thickness.

I claim:

The ornamental design for a camera casing as shown and described.

Signed at Rochester, New York, this 21st day of July, 1930.

WALTER D. TEAGUE.
